General Information

This summer, the HCGM Sports Department will operate **three** summer day camps for children ages 4-13 years old. The Camps will run for eight weeks (8 sessions of 1 week each) starting June 26, 2023. **The cost per week is \$220, including outings and activities.** Children will participate in a variety of cultural, educational, recreational, outdoor and athletic activities, supervised by properly trained animators. **Camp hours will be from 7:30 am to 6 pm, Monday to Friday. Children should arrive at the camp each morning no later than 9 am** and can be picked up any time after 4 pm. There will be no supervision before 7:30 am or after 6 pm. No bus service will be provided to or from camp. Family and friends can accompany children on trips, space permitting (for a fee of \$35 per trip). In case of poor weather, outings might be postponed to the next day. **Children must have their camp t-shirt, a hat or a cap, their bathing suit and towel each day as well as a lunch, two snacks and a water bottle, all in a backpack.** Children should also have **sunscreen** with them at all times. Weather permitting, the children will go to the local pool/splash pad most days. T-shirts will be distributed the first week of camp. Misbehavior by children will not be tolerated. Any child disturbing the normal activities of the camp at any time can be sent home. If discipline problems persist, parents will be contacted and the child will be expelled. All camp participants, their parents, legal guardian, or any other person responsible for the participant, (collectively the "Participant") acknowledge that there are inherent risks with all programs and activities that cannot be eliminated even when the greatest care is taken and Participants assume full responsibility for any injuries or other damages, which they may incur as a result thereof.
